Hi Keith,

Attached is the briefing paper for Dennis from 9-10:30. If you want to participate remotely, please call Matt Magorrian at the RA's office. I don't think CJ needs to participate in this one as it will mostly be focused on WA's initial proposed revisions for the HH criteria. I believe we were planning on covering the litigation approximately during the last 30 minutes or so.

Here's the call in # for the 12:30-1 meeting. I think this one would be good for CJ to attend if possible.

Let me know if you need anything else.

CJ,

This is excellent. I made just a few minor suggested edits. The only important edit is that the status conference is scheduled for

April 8, not April 4.

I have also consulted with Brian Kipnis, AUSA (excellent source of local knowledge).
